

# **Free Dental Health Education**

## **Presentations for Parents**

Free presentations from dental health professionals are now available. Dental health educators are available to present at parent meetings (day or evening). The presentation typically last 30 minutes, and covers:

- The importance of baby teeth
- The importance of pregnant women having healthy oral health
- How to prevent “Baby Bottle Carries”
- How cavities can be prevented
- How sugary foods and soda pop effect teeth
- Proper tooth brushing techniques

(Presentations are available in English and Spanish.)

If you are interested in scheduling a presentation, please contact Jessica Minahan, Salem-Keizer Schools Dental Health Coordinator at (503) 399-3101 or [Minahan\\_Jessica@salkeiz.k12.or.us](mailto:Minahan_Jessica@salkeiz.k12.or.us)

**Marion County**  
OREGON

This service is offered through a collaboration of the Marion County Health Department and Salem-Keizer School District's Dental Health Solutions for Children Program.
